TEACHING EXPERIENCE

Sometown Elementary School, City, State

March – May 2011

Student Teacher, Grades 1-5

Reference: Mentor Teacher, phone number

- Planned and implemented lessons integrating visual art and literacy for an annual school-wide event and showcase of artworks by each student featuring the written word.
- Collaborated with classroom teachers, parent volunteers and school staff in planning and installing student artwork and activities for a Literacy & Beyond evening event.
- Delivered lesson content and instruction with explicit verbal and visual learning objectives to accommodate diverse student learning needs and styles, while enhancing all students' purposeful engagement with content.
- Designed instruction with opportunities to formatively assess individual student understandings, and adapt learning objectives to meet individualized education plans.
- Co-designed and co-facilitated a third-grade class fieldtrip to the Sometown Art Museum featuring artists from recent lessons.

Sometown High School, City, State

January – February 2011

Student Teacher, Grades 9-12

Reference: Mentor Teacher, phone number

- Taught 9th- 12th grade students in Art I, Advanced Painting, Digital Photography, and Ceramics, and provided before and afterschool drop-in sessions for small groups of students in need of additional work time and individualized assistance.
- Designed and implemented a stop-motion animation lesson using digital photography and Windows Movie Maker software to introduce video technology into the Introductory Computer Arts curriculum.
- Delivered department-developed 8th-grade Art curriculum lessons in a variety of two- and three-dimensional media, while differentiating instruction to meet a diverse range of student needs, including ELLs and a large percentage of students with IEPs.

Sometown Elementary School, City, State

September – December 2010

Elementary Arts Integration Practicum

Reference: University Supervisor/Instructor, phone number

Student Teacher, Grades 3 & 4

Co-developed and led art lessons in third- and fourth-grade classrooms as part of a University initiative to bring arts education into schools without formal elementary arts programming. Designed lessons to integrate with established grade-level curriculum, enhancing disciplinary learning through the arts.

RELATED EXPERIENCE

Sometown Art Museum, City, State

Family Day Art Instructor

May 2011 & January 2010

Designed and led two art-making workshops related to thematic works in the museum's collections. Introduced children and their families to art materials and processes, offering insight and connection with the day's theme and featured artworks.

Art in the Park Instructor

upcoming **Summer 2011**

Collaborated in the design of art lessons and activities for child and youth summer outreach classes hosted at Sometown Park sites. Lead lessons, discussions and activities based on the museum's permanent collection, in a variety of child and youth workshop formats.

PROFESSIONAL AFFILIATIONS & VOLUNTEER EXPERIENCE

National Art Education Association (NAEA)

Member since Fall 2010

Illinois Art Education Association (IAEA)

Member since Fall 2010

NAEA-ISU Student Chapter

Member since Fall 2010

Volunteer

Participated in various activities designed to highlight community arts connections. Assisted to plan, organize and implement art projects for at-risk youth and children in two distinct settings, in collaboration with a team of volunteers. Assisted in the implementation of an eight-week art therapy curriculum for at-risk families designed to interrupt the cycle of family violence by teaching creative communication and relationship building through the arts.

SPECIAL SKILLS

- Proficient with Microsoft Word, Excel and PowerPoint
- Basic proficiency with Adobe Photoshop, iMovie, Windows Movie Maker and Inspiration
- Experienced in safely operating a variety of machining tools and equipment, including propane forges, oxy-acetylene soldering tanks, bandsaws, powered sanders, wire brushes and polishing wheels
